CABL Taking Steps Toward Annexation

The owners of Pheasant Creek No. 2, better known as CABL, are revising their petition to be annexed by the village of Antioch.

They appeared at the planning commission meeting last Thursday and indicated they will return with a pre-annexation agreement.

Discussion at last Thursday's meeting concerned lot widths and density. The planning commission and CABL representatives agreed on R-2 zoning, which calls for 65-foot lots instead of 50-foot lots, for the bulk of the property. This would permit a total density of five units to the acre, according to

Professional Planner Bruce Christensen.

The planning commission meets again at 7:30 p.m. on Thursday, Sept. 5, but CABL's pre-annexation plans may not be ready by then.

The commission has agreed to let Pheasant Creek No. 2 be annexed under a subdivision ordinance rather than the village's new Planned Unit Development (PUD) ordinance.

Development, however, may have to come under PUD.

There are no immediate plans for developing the property, only annexation plans.

Village May Drop Annexation Fees

The question of eliminating annexation fees has been turned over to the Antioch planning and zoning committee.

Mayor Robert Wilton has asked the committee, headed by Trustee Ron Cunningham, to come up with a recommendation for the village board.

Presently the village charges property owners \$500 an acre to annex; and since the ordinance was passed in June, a \$600 fee is assessed for the tap-in and inspection of sewer and water lines.

Before the tap-in ordinance was approved, the charge to a property owner was \$150.

Trustee William Seemann, chairman of the village utilities committee, said he feels "the entire community will benefit if the annexation fee is dropped, because the village will be able to exert more control over the developer."

More agricultural-zoned land would be annexed if the owner did not have to pay the \$500 per acre fee, Seemann feels. Once such land is in the village, the planning commission and the village can best decide its use, he said.

"It would be unfair to tell a developer who purchased land for an industrial site that he cannot have it rezoned for

industry because it is not in the best interest of the village," Seemann said.

Mayor Robert Wilton also feels that an annexation fee of \$500 per acre would hinder the orderly growth of the community.

THE UTILITIES committee has recommended not to favor an increase in the present sewer and water rates although the raise is needed to meet current increases in chemicals and operating expenses.

"The committee feels that if the village tightens its belt until the new sewage plant has been in operation about a year, the increase would be better understood by the citizens of Antioch when we increase the rates," Seemann said.

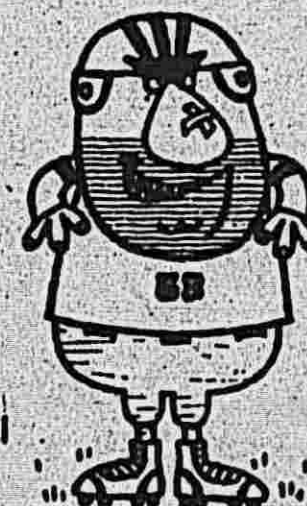

"If we raised the rates now, and a year later we find out we need more money and must

One Liner

The secret is to keep your hand in without losing your footing.

have another rate increase, it would be ludicrous," Seemann said.

So the utilities committee is taking a wait-and-see attitude until it can better determine what the rate should be.

From Our Readers

At this time I would like to express my thanks and appreciation to all of the interested persons who were involved and played an important role in organizing the first year of the Antioch Girls Softball League.

Many persons devoted long hours in teaching our girls to play softball and in encouraging good sportsmanship and team cooperation.

There are those who wish to remain anonymous, but their help and assistance with the program was most deeply appreciated.

So, I would like to publicly thank our community members who were instrumental in developing the league.

COACHES AND their assistants: Joan Larson, Priscilla Lipske, Jean Haling, Jim Koppa, Angeline Wix, Dorothy Harris and Barbara Koss.

Paul Harris, Jan Kut, Ann Stickler, Jeff Stickler, Barbara Bailey, Judy Gossman, Bob Gossman, Mr. and Mrs. Robert Ogeden, Mr. and Mrs. Ivan Blanchette and their son, and Mr. and Mrs. Richard Byrne. Vern Plotz, Vicki Plotz, Ann Venn, Pam Friedrich, Jackie Witek, Mr. and Mrs. Grant Jorgensen, Mr. and Mrs. Lindgren, Carol Beattie and Marge Murphy.

Elaine (Sis) Gallagher, Joan Cilik, Ethel McLellan, Virginia Barlow, Betsy Houghton, Bill Herbst, Richard Becker, Carol Whitten, Ellen Kessler, Lou Parker, Sid Parker, Dick Kessler Jr. and Mary Lou Eckert.

ALSO THANKS to Dick Kessler Sr. and Bernie Gufowski. Our umpires: Jurgen Niemann, Harold Lipske, Chuck Larson, Al Little, John Roth, Mr. Wallen, Tom Poernich, Robert Mertes, Jim Fields, Robert Quinn and Dick Kessler Jr.

Thanks also to our sponsors: John Teresi Chevrolet, The State Bank of Antioch, the First National Bank, Charminglo, the Advertiser, Quaker Industries, Don Pittman Motors, Walsh's All Seasons, Antioch Fire Department and Wilton Electric.

WE ALL enjoyed an exciting and worthwhile season and I feel that the girls really did a fine job. We had some real "sluggers," and those of you who watched the games saw good plays and some fantastic catches.

Finally, I thank those of our community who came and watched the girls play. Although the games were scheduled at some inconvenient times there was always someone rooting the girls on.

I hope more parents will be

able to become involved next year and come out for the games. I am sure that your daughters would be excited to see you there.

Once again, I am grateful to our community for its participation with the Antioch Girls Softball League. But most important, thanks to the girls. They practiced and played on some excruciating, hot days; and they were drenched by

downpours, but their interest and drive persisted.

The girls made up their own teams, got together with friends or made new friends, productive, active youth; but especially thanks for giving us some happy moments, too!

And to those whom I may have omitted, thanks.

Foreign Language Classes at CLC

The College of Lake County foreign-language department has class openings in its unique French, German, and Spanish program.

In addition to a wide range of time-offerings for both day and night and conversational classes, trips are being planned to enhance the program's attractiveness. Students may tour either Acapulco or Costa

Rica during the Christmas break and the French-speaking areas of Canada in May.

Interested persons should check the 1974 fall semester schedule of classes or call CLC foreign-language instructors Joe Johnson or Mario Maculan at the college at 223-6601, extension 279.

The next meeting of the Antioch village board will be on Tuesday, Sept. 3, because Monday, Sept. 2, is Labor Day.

The board meets at 8 p.m. in the village hall.

In action at its last meeting, the board voted to drop the village's \$500 an acre annexation fee because "it discourages annexation and growth."

McClory 'Delighted' With Rockefeller

Following the announcement by President Ford of his nomination of Nelson A. Rockefeller to be Vice President of the United States, Congressman Robert McClory issued the following statement:

"In nominating Nelson Rockefeller as Vice President, President Ford has selected a man of broad political experience -- both in domestic and foreign affairs.

"In addition, Mr. Rockefeller

has a wide political following and is well known throughout the country and the world. His selection will add strength and influence to the new Ford Administration.

"I am particularly delighted with this nomination because of a personal friendship with Nelson Rockefeller that dates back to days when we were classmates at Dartmouth College.

"I have had the privilege of

retaining this friendship throughout the years, and feel that in the new Vice President, I find a man in whom I have the utmost confidence as well as a person whom I cherish as a friend."

According to Congressman McClory, confirmation hearings before his House Judiciary Committee are expected to begin about the middle of September, with a confirmation vote in the House and the Senate early in October.

They receive a bachelor of general studies degree on completion of the program. Roosevelt's BGS is recognized as a full-fledged undergraduate degree at all universities.

Living accommodations for out-of-town students are available at Roosevelt University's Herman Crown Center, 425 S. Wabash Ave.

Scott Fights 'O'Hare Noise Pollution'

Illinois Attorney General William J. Scott has sued to force the Federal Aviation Administration (FAA) and the Civil Aeronautics Board (CAB) to take steps to prevent severe noise pollution that he says already affects more than one-half million persons around O'Hare Airport.

Attorney General Scott's suit, filed in federal district court on behalf of the people of Illinois, charged that the O'Hare aircraft noise "interferes with conversation, sleep, and normal and reasonable activities of the residents of the enjoyment, use and value of their properties."

Scott said his suit is in response to hundreds of complaints about O'Hare noise pollution received by his office.

SCOTT SAID that presently about 1,800 to 2,000 takeoffs and landings take place each day at O'Hare, and it is now the policy of the FAA to allow the number of O'Hare flights to increase over the next 10 or more years.

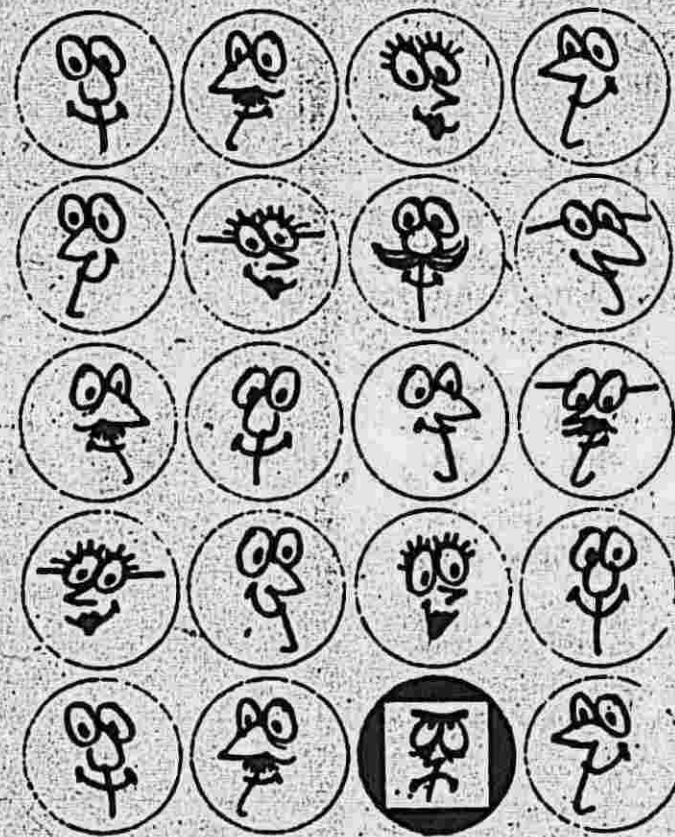

O'Hare is already almost twice as busy as Los Angeles, the next largest airport, he pointed out. This additional traffic into O'Hare obviously will increase the noise and air pollution levels and the number

of persons exposed to those levels unless some change is made in FAA policy, or in equipment and operating procedures at O'Hare, Scott said.

"Many of the problems could be alleviated substantially through the use of technologies and operating procedures now available to the FAA and the airline industry," Attorney General Scott claimed.

These procedures could involve using controlled segmented approach and departure procedures; using flight paths over less populated areas; the fitting of older aircraft with sound-absorbing engine housings and larger fans; restricting use of the airport to newer aircraft which are cleaner, quieter, and hold more passengers; and imposing curfews on the hours that the airport is operated, Scott said.

Defendants in the case are officials of the Federal Aviation Administration which has exclusive regulatory authority over all aircraft in the United States, and members of the Civil Aeronautics Board who have the authority to permit individual airlines to operate commercial service to and from Chicago.

Clinic Workshop

Three courses will be offered at the Family Counseling Clinic in Grayslake this fall, including Psychology in Everyday Living Transactional Analysis (I'm OK - You're OK), and a Human Potential Workshop.

Classes run for 10 sessions beginning the week of Sept. 9 and the tuition is \$30 for each class.

Family Counseling Clinic is located on Rt. 120, just west of Rt. 45 in Grayslake.

Persons can register by calling the clinic at 223-8107.

Bike-a-thon

A Bike-a-Thon to raise money for the Antioch Rescue Squad will be held Saturday, Sept. 7, by the Antioch Assembly of the Order of the Rainbow for Girls.

Hours for the ride are 8 a.m. to 2 p.m. Pledge forms are available at the local banks, at the Upper Grade School from Mrs. Bruske, or by writing to O.R.G., Box 143, Antioch.

Riders will assemble at the Antioch Grade School on Sept. 7 and signs will indicate the route. The participant bringing in the most contributions will receive a \$25 savings bond.

Helicopter Rescue

A helicopter "airevac" demonstration will be given at 2 p.m. Sunday off Korpen's Landing in Fox Lake.

The U.S. Coast Guard is giving the demonstration and invites you to bring your family and watch a helicopter rescue an "injured person" from the water. The "patient" will be lowered in a basket to a surface vessel.

The Coast Guard also will set up booths to supply boating safety information to the public.

Senior Citizen Picnic

A great turnout of senior citizens is expected at the Senior Citizens Recognition Day picnic at the Lakewood Forest preserve on Wed., Aug. 28, which has been proclaimed by Governor Walker as Senior Citizens Recognition Day. The event is sponsored by the Lake County Forest Preserve District.

The program starts at 10 a.m. with events running continuously during the whole day. There will be table games, golf, fishing and several area bands will perform.

A.A.R.P. Plans Set for '74-'75

The American Association of Retired Persons, Chapter 387, board members and officers attended a luncheon at the home of president Dolly Spiering last Friday.

Program chairman Margaret Belongia and her assistant Frances Winiecki set forth their plans for some very interesting

programs for the 1974-75 season.

The first meeting of the Antioch A.A.R.P. will be on Tuesday, Sept. 10 at noon at the Moose Lodge on Main Street.

The group will meet on the second and fourth Tuesday of every month. Refreshments will be served.

ACHS Has Good News For Taxpayers

The Antioch Community High School Board of Education passed its 1974-75 budget last week and it looks as if the high school tax rate will be down 4½ cents per \$100 of assessed valuation next year.

The intention of the board, according to Business Manager Ken Wierschem, was to try to counterbalance the 5 cent increase that the voters approved last December for the area vocational center.

The high school levy is only one part of the local property tax.

The total high school budget for 1974-75 has expenditures of just over \$2.5 million. That figure includes bond and

interest payments. The 1974 tax levy, representing money primarily in the high school's operating fund (salaries, supplies, utilities, insurance, etc.) totals \$1.57 million, only about \$13,000 higher than the 1973 levy.

IN OTHER ACTION the board said it is still awaiting permission from the state to raise the hot lunch price from 50 to 55 cents.

Also, two of the school's new buses have arrived and the other two will be delivered soon. The high school has a fleet of 14 buses. Two were up for normal replacement this year and two

others were replaced because of high maintenance costs and safety reasons.

Principal Art Blecke reported that summer school had about 770 students in attendance. This involved 29 full-time and four part-time teachers. Elementary school students and grade schoolers participated in the program in music and gymnastics classes.

About 100 ACHS students have returned from music camp in Southern Illinois. On their way home they gave a concert at Chanute Air Force Base. They were accompanied by Ralph Brooke, fine arts department chairman, and John Olisar, band director.

Lindenhurst News

By SANDI CHRISTMAN

By now the kids are back in school and the family unit is starting to get back into the familiar fall and winter routine — with possibly some changes or additions.

One addition the adults of the village may want to consider is a newly-forming volleyball league for both men and women. Members of the Programs Committee of the Citizen's Recreation Group are working out the last details now and will have more information available within the next week or so on registration, etc. Sounds like it will be fun as they are planning on tournaments at the end of the playing year with all the trimmings.

THE WEEK of Sept. 14 thru the 21st has been proclaimed "Get Registered Week" by the village board. The objective of the proclamation is to encourage everyone living in the village to register and is being spearheaded by the county officials.

ONCE AGAIN the village board discussed at long length the meaning of the proposed flood plain ordinance presented to the village. This plan relates to certain areas within the village that are supposedly in a potential flood area. The plan would require residents living within the area to purchase flood insurance with those not living in the area having the option of buying insurance if they so desire. If those required

to purchase insurance did not do so they would not be able to obtain mortgage financing or money for improvements.

At the village board meeting Monday night, the members discussed the possibility of the village protesting the flood areas since there has not been flooding in the areas to-date. The board voted to send a representative to a meeting at the Lake County Public Works Department in Waukegan. The matter was tabled until the next meeting.

Also at the Monday night meeting, the trustees approved the fourth payout on the new village hall building. The village will be moving to the new building on Sand Lake Road somewhere between the 15th and the end of October.

The proposed ordinance relating to pool permits presented by a number of village residents and Trustee Steinke was tabled again till the next meeting.

FOR THOSE wondering about the status of the Beck Road Park here's the latest word from the village. Libertyville Asphalt Co. was at the park last week and advised the village that the ground was still too wet to work on. They are due back sometime this week. Wonder how long it will be now that it just rained again?

If you've been to the beaches lately and find the lifeguard looks different you're right. Ralph Sanders is now guarding

the beaches on Beck and Highpoint Roads through Labor Day weekend. The regular lifeguard has gone back to school. After Labor Day weekend the beaches will no longer be guarded.

The village board also approved a request by the Rainbow Girls to conduct an egg walk in the village on Saturday, Sept. 14th from 9 to 11.

The ladies will walk door-to-door either requesting the donation of an egg or the purchase of eggs from residents of the village. Proceeds will go to the Rainbow Girls organization.

Finally, the board discussed the multi-family ordinance and decided to try and get together with the villages of Antioch and Lake Villa to determine what would be a good set of guidelines concerning multi-family matter.

BE WISE: ADVERTISE

COMMENTS...

It's "Back to School" time for shoppers. New clothes, new shoes and new school supplies will be bought by a great many children and their parents in the next few weeks.

A child's outer clothing possibly will be worn on dark winter mornings or evenings. It might be a good idea to purchase at least one item -- for example a hat, scarf, gloves or boots -- that is white or light in color. Washing may be a more frequent problem, but night drivers can better see a child who is wearing white.

New shoes are nice, but the slippery soles can lead to falls more easily. Scuff up the soles of new shoes before your child wears them. He'll take care of scuffing up the tops in short order.

Platform shoes are the rage. But they can be dangerous on stairs or for driving--or even for walking!

If your child will be active outdoors on wet, snowy days, try to buy some water repellent garments.

And if your child uses such items as scissors, compasses, protractors, rulers and other school supplies with sharp edges, be sure they are carried and stored in enclosed and protective cases. The same holds true for pens and pencils and glass bottles holding paste and paints. Better yet, buy these last two items in plastic containers if available.

Lunch boxes can be another safety hazard. Be sure they have smooth edges and fasten securely. Don't pack food items in glass containers. And warn your children that canned treats with pop tops or lids may have sharp edges, so if these items are a must, the lids should NOT be licked when opened. Avoid packing carbonated drinks or aerosol cans that could explode.

When you buy thermo-insulated bottles, get ones labeled "Safe for Children." Always instruct children to check for breakage before drinking.

If your child must walk to school along a street without sidewalks, instruct him always to walk on the side FACING traffic. If he rides a bike to school, check for proper reflectors--front, rear, and sides--and a headlight in working order. Also, check breaks, skid-resistant pedals, and proper bike size, and be sure the bike is in good repair.

These are just a few common sense safety warnings to help your child, and you, have a safe, worry-free school year.

The Town Crier

Fifty-four members of the Antioch Lions Club took a bus trip to Green Lake, Wis., last Wednesday for their annual golf outing.

The winner of the tournament was Father Gene Keusal, who shot somewhere around 100 and had a Peoria Handicap score of 61.

Toastmaster Jack Fields noted that "I have never been to a golf outing where the first prize was won by anyone but a Catholic priest."

Father Keusal's acceptance speech was highlighted by a remarkably funny joke. Unfortunately, space doesn't permit the retelling of it and, besides, it's a tongue twister.

SECOND AND THIRD in the tournament were Lou Simon and Les Sorenson. They, and most of the other golfers won attractive prizes.

Jim Fields won a special prize for stopping his tee shot only eight inches from the cup on a 185-yard hole.

The low gross score was an 80 by Cliff Houghton.

AMONG THE day's highlights were the jokes of Morrie Pickus on Bus No. 2, and also at the post-tournament dinner; and the 200-yard 5-iron shots of Vern Thelen, who won \$6.25 from me.

Names in the News

NAPERVILLE, IL. - Steyen J. Albright, Rte 1, Antioch, has been accepted for admission to North Central College and will enroll as a freshman this fall.

The son of Mrs. Lupe S. Albright, he is a 1974 graduate of Antioch high school.

North Central is a private, coeducational four year liberal arts college located in Naperville.

William C. Schmeisser, 20, son of Mr. and Mrs. Peter Schmeisser, Route 3, Lake

Villa, has been promoted to "Army Specialist 4" while serving with the 8th Infantry Division in Germany.

Spec. Schmeisser is a mechanic with Battery C of the division's 59th Air Defense Artillery. His wife, Karen, is with him in Germany.

Tony Starcevic of the State Bank of Antioch was among 97 bankers awarded diplomas last Friday at graduation ceremonies of the Illinois Bankers

School at Southern Illinois University.

The Illinois Bankers Association sponsors the school on the Carbondale campus. It consists of two resident summer sessions of 11 days each. Students receive intensive instruction in bank investments, operations and control, banking law, economics, marketing, consumer credit, commercial loans, trusts, data processing, agricultural credit, real estate lending, personnel administration and public speaking.

The school's faculty is composed of 40 lecturers drawn from the fields of banking, education, law and other areas pertinent to the banking profession.

better but there was much rattling of ice cubes on our backswings.

A SURPRISE presentation was made at the post-tournament dinner. John Teresi received an old shotgun from Bill Brook to use in their Sunday, Sept. 22, trap shoot.

This event is shaping up as one of the highlights of 1974 and the teams are now being assembled.

John says his team probably will include Sgt. York's nephew and Annie Oakley's niece.

Ducks Unlimited Work Explained

The Antioch Rotary Club last Thursday was treated to a beautiful conservation movie, courtesy of Ducks Unlimited (DU).

Terry Folbrink, Northeastern Illinois area chairman for DU, was the club's guest at the Brave Bull Restaurant.

Folbrink explained that Ducks Unlimited is dedicated to the preservation of waterfowl habitat. Members have improved and maintained about two million acres of waterfowl breeding grounds.

"I'm a duck hunter," he said, "and I want to assure myself and future generations that there will be ducks to shoot. If it weren't for DU, there probably wouldn't be any."

DU, a nonprofit organization of sportsmen, has about 300 members in the Antioch area. Last March at their first annual fund-raising dinner they raised about \$7,500 to set a record for a new club in this state.

OBITUARIES

EDWARD G. RYAN, 23 of Channah Lake, Antioch, Ill. passed away on Wed. Aug. 21 at his home. He was born March 8, 1951 in Grand Rapids, Minnesota and had lived in the Antioch area for the past 20 years. He served in the U.S. Army during the Viet Nam war. He was employed as a laborer in factories in this area.

Survivors are his father Frank Ryan (Channah Lake), his mother Mrs. Marion Mickle (East Moline, Ill.), and two sisters.

Funeral services were held at 11:00 A.M. Sat. Aug. 24, 1974 at the Strang Funeral Home in Antioch. Rev. L. H. Messersmith of the congregational church officiated. Interment was in Hillside Cemetery in Antioch.

MICHELLE L. BURNETT, 14, of Salem, Wis. passed away on Sat. Aug. 24 at St. Catherine's

Hospital in Kenosha. She was born March 26, 1960 in Kenosha and had resided 8 years in Round Lake, Ill. before moving to Salem 6 years ago. She graduated from the Salem Consolidated Grade School and was going to enter high school this fall. While in grade school she sang in the chorus. She is a member of St. Scholastica Church.

Survivors are her parents, Leona & Robert Burnett, three sisters, two brothers, her maternal grandmother Mrs. Julia Hansen and paternal grandparents Mr. & Mrs. Arthur Burnett.

A funeral mass was held at 10:00 a.m. Monday at St. Scholastica Catholic Church at Bristol, Wis. with interment in St. Scholastica Cemetery.

ELMER SCHALLAWITZ, 73, of Lake Shangri La Subdivision near Bristol, Wis. passed away on Sun. August 25 at his home. He was born June 10, 1901 in Chicago and resided there until moving to Lake Shangri La Subdivision two and one half

years ago. He holds membership in the United Methodist Church at Bristol, International Brotherhood of Teamsters Local Union No. 774 (Chicago), Bristol Senior Citizens Club and the A.A.R.P. He retired as a salesman and driver for Shamberger Bros. Inc. at Villa Park, Ill.

Survivors are his wife Clarice (Nee McKalip Schallawitz), two sons Elmer W. (Rowena) Schallawitz (Bedford, Texas), Ronald L. Schallawitz (Forest Park, Ill.), one daughter Mrs. Patricia (John) Morath (Morton Grove, Ill.), two sisters and seven grandchildren.

He rested at the Strang Funeral Home in Antioch from 2:00 p.m. to 10:00 p.m. on Tuesday then at the Galewood Funeral Home at 1857 N. Harlem Ave., Chicago, after 3:00 p.m. and until the time of the service at 1:00 p.m. Thurs. Interment will be in Oakridge Cemetery, Hillside, Ill. Memorials may be made to the Building Fund of the Bristol United Methodist Church in lieu of flowers.

Joseph Nemec Retires From CE

Joseph Nemec, Antioch, has retired after 25 years of service with Commonwealth Edison Company. He was employed at the utility's Waukegan Station.

A 15-year member of the Antioch Methodist church, Mr. Nemec and his wife, Maria, are the parents of a daughter, Mrs. Nancy Eskew. Mr. Nemec has belonged to the Waukegan Moose Lodge for 21 years.

Program for Accountants

A new program to establish accreditation for accountants in public practice has been organized by the National Society of Public Accountants.

Locally, the program is being directed at the 900 members of the Independent Accountants Association of Illinois, as affiliate of the NSPA.

Purpose of the plan is to develop and implement an accreditation system for IAAI members which will improve professional standards and provide recognition for demonstrated achievement in accounting.

The program, administered by the NSPA's Accreditation Council for Accountancy, will include testing for all applicants and the maintenance of accredited status through continuing education.

All applicants for accreditation must take the ACA test in order to be considered for accredited status.

"The basis of this new accreditation program is continuing education," said Sol S. Tarantur, president of the IAAI. "Once a member becomes accredited, he must renew his status every two years."

In 1457, golf was outlawed in England, because it was feared it would distract the soldiers from defense.

CHRISTIAN SCIENCE CHURCH

Jesus knew that God created man in his image and likeness, and it was through this understanding that he was able to heal the sick, as is recorded in the Bible. The perfection of mankind will be brought out at Churches of Christ, Scientist, this Sunday in the Bible Lesson-Sermon entitled "CHRIST JESUS"

From SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy, this citation will be read: "Jesus established in the Christian era the precedent for all Christianity, theology, and healing. Christians are under as direct orders now, as they were then, to be Christlike, to possess the Christ-spirit, to follow the Christ-example, and to heal the sick as well as the sinning."

Everyone is invited to attend services at the First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Illinois. They begin at 11 a.m.

Diet Clinic Planned

A free orientation to explain Family Counseling's Diet Clinic is set for Thursday, Sept. 5 at 9 a.m. in Grayslake. The session will discuss the methods and theories behind the weight-loss program.

The Diet Clinic's approach to weight control is based on a slow, steady loss. It shuns fad diets and over-exercising. The program is designed to keep the weight off once it is lost.

"Our methods are designed to permanently change eating habits" Bob Malo, director of the Diet Clinic said.

Classes are held at Family Counseling Clinic on Rt. 120, just west of Rt. 45 in Grayslake. Interested persons can call 223-8107 for a reservation.

THE FACES OF EVIE

Timothy the Terror

By EVALYN ROZEK

Timothy the Terror descended on our neighborhood like a small black rain cloud. "Who's your new friend?" I asked my 5-year-old.

"His name is Timothy, he's 3 and he eats worms."

"He's staying at his Grandma's," offered my older son. "And, Mom, you'd better go out and check your flower bed."

Sure enough. The petunias and marigolds I had transplanted so lovingly that morning were scattered about my lawn.

"Timothy," I called, in my most dulcet tone, "we like the pretty flowers, don't we?"

Timothy looked at me as though I were speaking Swahili.

"And I like them, too," I continued. "And I like to watch them grow."

More silence.

"So we won't pick them anymore, will we, Timmy?"

Timothy retreated to the safety of his Grandmother's property and called to me:

"Dammit!"

When the worst of my trembling had ceased, I walked over to his Grandmother's and discussed the matter.

She was most apologetic.

AS THE DAYS wore on, Timothy devised new ways to terrorize the neighborhood. He tipped over bicycles and bird baths. He threw sand in our wading pool and crashed with his trike into houses, hedges and people. He even found time to redecorate our cement steps with a hammer.

By the end of the first week, my husband and I were taking turns doing sentry duty at the windows. If I told you the things we said to that child, this column would read like the Watergate transcripts.

We began to have nightmares about him. I awoke one night in a cold sweat and said to my husband, "Oh, my gosh, I just dreamed I went after Timmy with a rake!"

"Don't feel bad," he replied. "In mine I used a shotgun."

We spoke again to Timothy's Grandmother. She told us she'd try to watch him.

We told her she had better.

And then, just when we thought we could take no more, the little black raincloud went back to where he came from. The neighborhood threw a block party. It was a very festive occasion.

Guess who celebrated too much and got sick?

Umm Hmm.

Timothy's Grandma.

NEW MEMBERS FOR ROTARY

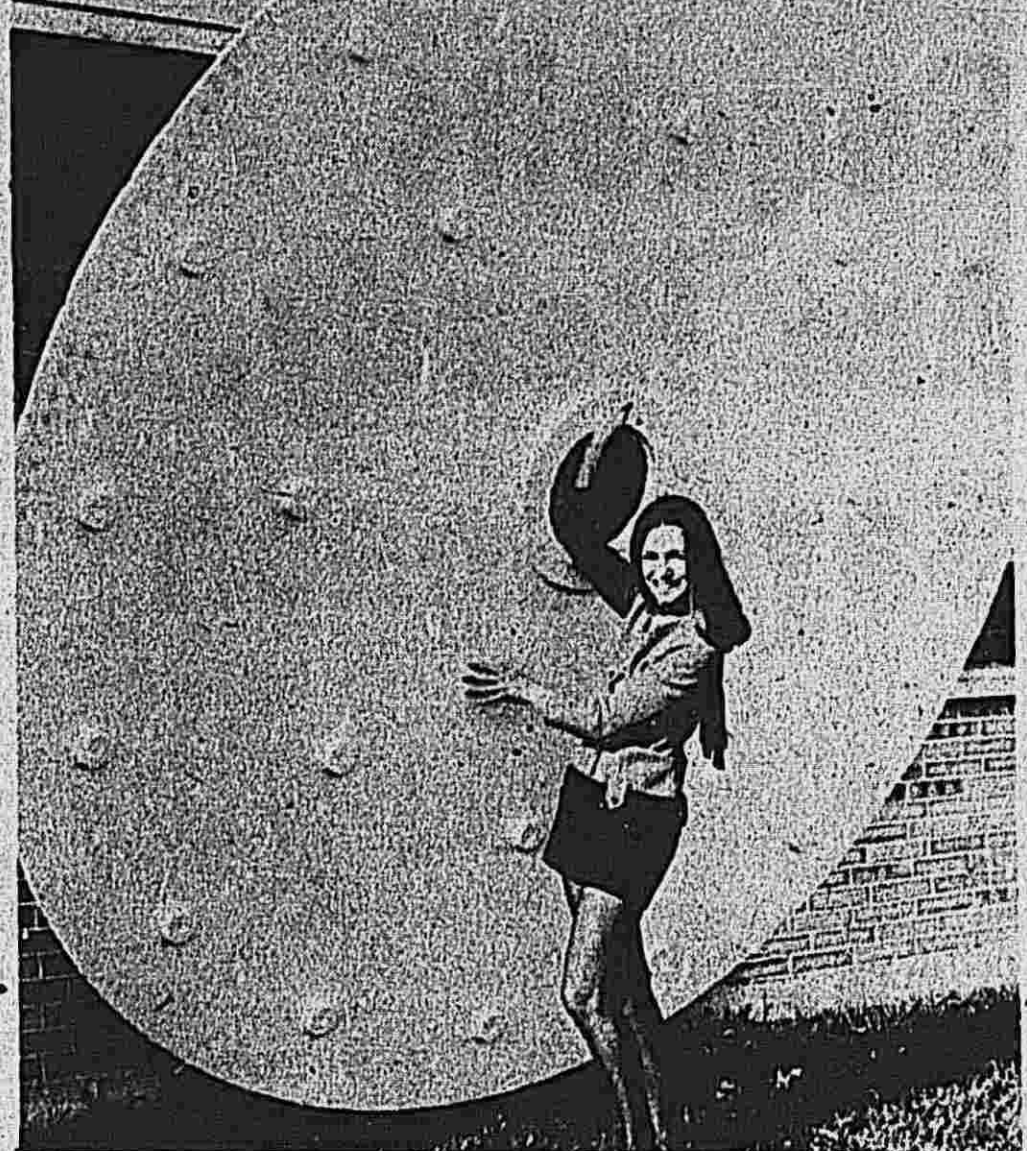

Three new members were welcomed into the Rotary Club in Antioch last Thursday.

They are Don Pittman, Kenneth I. Swan and the Rev. L. H. Messersmith.

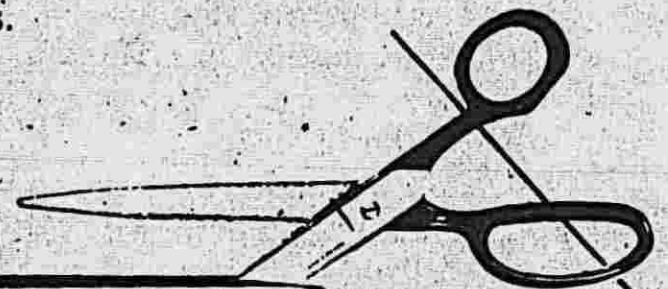

The next big event on the club's calendar is the Saturday, Sept. 21, Country Bar-B-Que and Dance at St. Peter's Church Social Center. Tickets are being sold by Rotary members.

"Henry! You got a haircut!"

EXPANDA-FOAM WINS AWARD - A huge expandable polystyrene disc, 11 ft. in diameter by 1/2 inch thick, molded in one piece and weighing only 12 pounds, won top honors in the recent Expandable Polystyrene Awards Competition in Wisconsin. The Grand Award went to Expanda-Foam, Inc., of Antioch, molder of discs. Looking like flying saucers from outer space, the Rotating Surface Biological Discs are in fact key components in a new system for treatment of organic waste. In operation, they are half submerged in waste material and slowly rotated by a power-driven shaft. Alternate immersion and exposure to air enhances the growth of a biomass, a mass of micro-organisms that literally consume organic waste materials, converting them into harmless substances.

Sequoits Are Ready, Says Coach

By JERRY PFARR

In 10 days Antioch's Sequoits must play their high school football opener.

But that doesn't worry Coach Roy Nelson. He wishes they could open this afternoon.

"These kids are great," he said. "They're training, they're working hard, there's leadership shown on the field, and they're not afraid to bump."

THE OPPONENT in the opener on Saturday, Sept. 7, will be Round Lake. The game will be in Antioch. Sophomores will play at 12 noon and the varsity game starts at about 2 p.m.

"Round Lake beat us last year in the last 18 seconds and our kids haven't forgotten it," Nelson warns.

The Antioch coach thinks the Northwest Suburban Conference will be tough this year. He calls Woodstock, Cary Grove and Warren the favorites.

"Wauconda could be a sleeper," he said. "Antioch? We won't finish last."

There's been a lot of hustle shown in Sequoit practices, Coach Nelson says.

"I think we've got more speed than last year," he said, "and we've got a passing threat which we lacked last year."

He has three players alternating at quarterback and all three can pass. They are Jeff Harceg, Jim McLellan and John Bodin.

Nelson says he hasn't picked any starters yet, but mentioned

these players as some of the top contenders for starting spots:

Left end -- Jerry Popp, Dan Vos.

Left Tackle -- Dale Eastman, Larry Lloyd

Left guard -- Chuck Smith, Dave Kisner

Center -- Mark Lubkeman, Dick Kessler

Right Guard -- Ed Gromala, Mike Riedlinger

Right tackle -- Art Meyer, Greg Kennedy

Right end -- Ron Sheedlo, Jeff Schmidt

Right halfback -- Karl Blumenschein, Paul Petty

Left halfback -- Mike Jones, John Ray, Dave Moore

Fullback -- Jim Sheppard, John Walker

Point Leaders Vie at Wilmot

Super Modified drivers will stage their last big race of the season at Wilmot Saturday night.

A twin 35-lap event at Kenosha County Speedway will see the top 18 point-standers competing for a total of 70 laps. The rain date will be Sunday. Among the starters will be Dick Aissen of McHenry, Tom Sexton and Russ McFadden of Crystal Lake, Jim Hedges of Kenosha, Whitey Harris of Lake Villa, and Aaron Solsrud and Ron

Marish of Milwaukee.

Marish is the point leader at Lake Geneva and the overall leader for the 1974 Interstates Racing Association (IRA) championship. His car is owned by Byron Russell of Milwaukee. Russell also has another top car competing with Dick St. John, holder of the Wilmot track record, as the driver.

Time trials begin at 6:45 p.m. and racing at 8 p.m. The track at the Kenosha County Fairgrounds will be running through

Sept. 22, finishing with a midget auto race show. More than 40 cars are expected that night.

LAST SATURDAY, Ron Marish won the 25-lap WMIR Radio Night feature at Wilmot. He took the lead away from Whitey Harris of Lake Villa who wound up third.

In the sportsman twin-25, Joe Gresh of Caledonia, Wis., won the first race and Sid Norton the second.

LITTLE LEAGUE AWARDS NIGHT

The coaches and officers of the Antioch Little League met last Monday evening to plan the annual Awards Night and to elect new officers for the 1975 season.

Bernie Gutowski will be at the helm again with Dick Kessler as vice-president of the Minor League. Bill Nauman, vice-president of the Little League and Jack McAvoy, vice-president of the Babe Ruth. Bob Berchtold will take over the Secretary duties and Jack Fields is the treasurer.

The 1974 Awards Night is tentatively set for September 26, depending upon the availability of the high school gym and guest speaker.

Girls Softball Season Ends in Gala Style

Antioch's Girls Softball season was wrapped up in grand style Sunday.

First, the local girls played all-star games against Round Lake and won them both. The 9 to 11 year olds scored a 14-5 victory and 12 to 14 year olds triumphed 7-5.

A picnic and swimming at the Aqua Center followed the games. Irv Foster made awards of new baseballs to outstanding players -- shortstop Shelly Wix and winning pitchers Jenny Behn and Pam Parker.

League officials presented a trophy to Sue Sedivec for her work in organizing the new

league. The trophy was signed by all the girls and is on display at the police station.

The league coaches played the girls a game of softball and won. But the coaches were the losers in the end, when they and the umpires were tossed into the swimming pool by the girls.

More than 100 persons were present including Mayor Bob Wilton, Bill Brook and Pres Reckers of the sponsoring State Bank of Antioch and Little League officials Bernie Gutowski and Dick Kessler.

SWEEPSTAKES PRIZES

Free tickets to the Super Bowl and a trip to Paris plus an additional \$5,000 in cash are among the prizes that can be won in the "Eveready" Super Bowl/Paris Sweepstakes. The Grand Prize winner will really score with tickets for two to the Super Bowl game, three days in New Orleans as guests of NFL Quarterback Terry Bradshaw and a week-long trip to Paris. Air fare, hotel accommodations and meals are included and \$5,000 in cash is added to the grand prize.

No purchase is required to enter. Just use the Super Bowl/Paris Sweepstakes coupon featured in newspapers and sports magazines, or send a plain 3 x 5 piece of paper, and print the word "Eveready," your name, address and zip code and mail to: "Eveready" Super Bowl/Paris Sweepstakes, Post Office Box 371, New Canaan, Conn. 06840, before November 30th. Entries must be received by December 14, 1974.

Slowpitch Team Loses

An 11-9 defeat last week practically dropped the State Bank of Antioch softball team out of contention in the Interstate Classic Slowpitch league.

The Antioch club had been threatening for the title, but the loss to Bachelor's II gave it an 8-4 record and a three-way tie for second in the standings.

Tirabassi's of Kenosha meanwhile scored a 7-5 victory over Finney's Lounge and clinched at least a tie for the title. The

league, which includes eight of the best softball teams in the midwest, has two more weeks to play at Kenosha's Simmons Field. Games are on Wednesday nights.

Last Wednesday Antioch left nine men on base in the first five innings and allowed Bachelors II to take a 10-3 lead. The Bank scored three in the eighth and three in the ninth to give the Bachelors a scare, but then Ed Zeitz struck out with Dick Bush on second base to end the game.

Waukegan Speedway

The Labor Day weekend promises to be the biggest racing weekend of the year at Waukegan Speedway with special championship events slated for both Saturday and Sunday night. Monday night (Labor Day) is being held open as a rain date.

The late model sportsman will compete in two 30-lap features Saturday night to determine the final point standings. (Saturday night racing will then continue on an open competition basis in September.)

The Sunday card will see the Carlings Black Label 50-lap super stock championship with the largest purse of the year. A demolition derby is also on the program.

Ted Richter has won the late model sportsman title on the strength of eight feature wins.

The balance of the positions can change according to the outcome of the two 30-lap main events and the preliminaries.

Tom Jones roared back into action Sunday night to post fast time and then win the 30-lap late model super stock feature race over a stellar field.

The impressive win makes Jones the favorite going into next Sunday's Carling 50-lap season championship race. Jones has won both previous 50-lap races in his white Camaro.

Richter wrapped up the Saturday night late model title when he posted his 8th feature win of the season.

Richter drove his 1969 Chevelle to a one length victory over Joe Horn in a main event punctuated by accidents in the first lap and last lap.

★ Your Police and the Community

By SUE SEDIVEC
Community Relations Officer

After spending an afternoon shopping or visiting in the village of Antioch, our Happy Wanderer returns to his car and finds a small red envelope under the windshield wiper.

That is a ticket, and it is evidence that Officer Fred Herdt is on the job.

Officer Herdt, whose family includes his wife, Alice, and his dog, Boots, has been with the Antioch Police Department for four years. Previously, he served seven years in a Chicago reform school as a juvenile officer.

Fred Herdt feels that Antioch is a good community and enjoys the friendly atmosphere

throughout the village. Not only does he patrol the meter and parking areas, but Officer Herdt is known to the children of the Antioch Grade School as "Freddy," the friendly school crossing guard.

Officer Herdt has a thankless job in issuing parking tickets, but this function protects the rights of the community members who park properly and abide by the rules and regulations.

Yet, Officer Herdt is fair and will be patient and listen to anyone who cares to plead his case on a parking ticket.

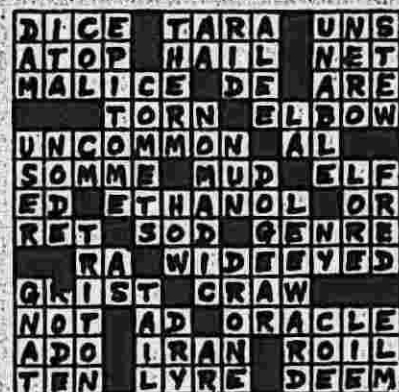

Thanks, Freddy. We know that our honest citizens appreciate your service.

Well is everybody happy?? All the little darlings are back in school again and peace and quiet prevails. Til the weekend anyway.

Congrats to Sue Sedevic and all her girls for their victory over the Round Lake Girls Softball League. A terrific program that provided lots of summer fun for the girls. Nice work Sue! Be sure to go in and see the trophy on Sue's desk at the Police Department that all the girls signed.

The Fire department water fight team led by Jim Krieger came home from Barrington this past weekend with a second place. Good work guys.

Lots of goodies were on hand for all of those who attended the

Ice Cream Social at St. Stephen's Lutheran Church last Sunday. Ummm that blueberry pie was scrumptious. By the way, all of us oldsters who took on the kids in the Luther League

good time and can finally work again. Behind the superb pitching of Natalie Sinclair we didn't do so bad.

Congratulations to Steve and Dee Alberts who celebrated their second year of wedded bliss this week. See ya made it for two years Dee.

Belated birthday greetings to Jan Besson who celebrated last Sunday. Celebrating this week are: Barbara Leider and Tony Besson on the 28th and Ellen Sesson and Kim Portalski on the 29th.

Polly Purdue writes as often as Leo does.

See ya,
Annie Mae

Many complain of their memory, but few of their judgment.

ABC's of Travel

By BARB CORBIN

TAG THOSE BAGS! This is the latest urgent appeal I, as a travel agent, am going to pass on to you the passenger. The Air Transport Association has had one heck of a time this summer with hundreds of baggage items

with no identification and is about ready for one big auction. Once again, here are a few of the recommended procedures:

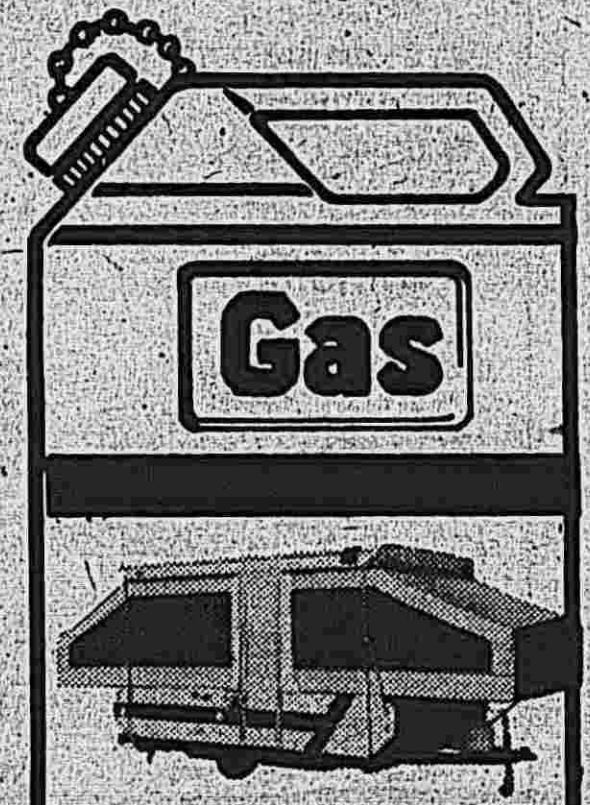

Names or initials should be on the outside of all baggage checked at airline terminals.

Place a business card or an identification sticker (this is available from most airline ticket offices & travel agents) inside the bag. This serves as an added protection in the event the outside label is torn off or otherwise removed.

Remove all old destination tags before the next flight. If you want to collect them - keep them at home. A baggage handler may become confused by the presence of several routing tags and consequently may misdirect the bag. This is the number one reason why so many bags don't follow the route of the clients.

Please cooperate with the above procedures and we will all be a lot happier, and it is a lot easier on the nerves when your bag is waiting for you at your destination.
